The Colliery Engineer

## INDEX TO VOLUME XII

July 1 to December 31, 1917

### EXPLANATORY NOTE

Note—Illustrated articles are denoted by an asterisk (\*), book notices by a dagger (†). Titles are often abbreviated. They are indexed under their most important words, or, if no word be distinctive, under their first one (except "A," "The," etc.), or under some topical word not found in the title. Authors', geographical and other proper names are also used freely. In some cases references to subsequent discussion are appended to a writer's name.

Following is a list of the pages included in the several numbers of the volume, by date:

July	Pages
14	43-84
21	85-142
28	143-184
Aug. 4	185-226
11	227-266
18	267-308
25	309-350
Sept. 1	351-394
8	395-438
15	439-478
22	479-518
29	519-560
Oct. 6	561-604
13	605-658
20	659-704
27	705-746
Nov. 3	747-790
10	791-832
17	833-874
24	875-914
Dec. 1	915-958
8	959-1000
15	1001-1042
22	1043-1082
29	1083-1122

EXAMINATION QUESTIONS	
—Anthracite mine foremen—Gases; right angles in a triangle; ventilation; safety; blasting.	75
—Bit. Mine inspectors—Weight of steam; pressure; pumping; horsepower; flow of air.	30
—British Columbia—Gases, explosions; air-crossings ventilating doors 1073. Concussion and compression; rescue work; ventilation.	1114
—Ill. mine inspectors—Mine inspection; geology; explosion; rescue apparatus.	
341. Gases; hoisting; ventilation; fans	286
Ill. mine managers—Geology; ventilation; surveying; gases; boilers 214. Working; electricity.	257
—Ill. mine rescue superintendents—First aid; breathing apparatus.	695
—Ind. firebosses—Gases; mine fires; safety lamps 738. Gases; mine exams; ventilation.	780
—Mine Officials, Colo.—Firebossing; ventilation 866; haulage; mine exam.; duties of mine foreman; gases; ventilation.	906
—Mine rescue superintendents—First aid.	648
—Misc.—Exam. of mines; surveying; blasting; fan ventilation; timbering; geology.	173
—Misc.—Exam. of working place. Ventilation, blasting.	1033
—Misc.—Gas; air compression; surveying; ventilation; mine fans; hoisting; electrical terms.	428
—Misc.—Hoisting; air transmission; pumping measurement; first-aid.	469
—Misc.—Mine fires; gas; electricity; haulage.	297
—Misc.—Ventilating and electrical terms; gases; Davy safety lamp.	510
—Nova Scotia mine managers—Working; locating a seam; geology; pyrites.	130
—Pittsburg, Kans.—Accidents, instruments used by mine inspectors; ventilation; safety catches 948. Gases; explosion; roof falls; haulage; ventilation.	991
